DETAILED ITINERARY

Day One

On arrival at Entebbe International Airport you will be met by a Wild Frontiers representative and transferred to The Boma guest house.

Set on the shores of Lake Victoria, Entebbe is a small town that is easy to explore on foot or local boda bodas (motorbike taxis). Explore the markets, hunt for souvenirs or crafts, meander through the Botanical Gardens or enjoy a boat cruise on Lake Victoria. You'll find a wide variety of restaurants, bars and clubs where you can sample the local beer, catch a game of football and meet the friendly locals.

Nestled in the leafy suburbs of Entebbe, Hotel No.5 is a stylish boutique hotel. With all luxurious rooms opening onto the garden and swimming pool, this is a great option for guests looking for an intimate stay in a tranquil setting. Make yourself at home – unwind beside the swimming pool, pamper yourself with a spa treatment, or work up a sweat in the hotel gym. Attention to detail, outstanding dining and an attentive guest experience are synonymous with Hotel No 5.

Overnight at **Hotel No.5** (www.hotelnumber5.com) or similar, with breakfast included.

Day Two

Transfer after breakfast to the airport for your scenic light aircraft charter flight to Kihhi airstrip. A roughly 90 minute drive through local villages and along mountain roads brings you to **Bwindi Impenetrable Forest**, a World Heritage site.

Bwindi is one of the richest ecosystems in East Africa and home to over 120 mammals, 345 species of birds, 200 species of butterflies and 160 species of trees. The park contains an estimated one half of the world's population of the endangered Mountain Gorilla, making it an extremely valuable conservation site.

Set within the National Park, just steps away from the Gorilla Trekking headquarters, Buhoma Lodge offers cosy accommodation in wooden chalets with uninterrupted views of the pristine rain forest. Well loved for its warm welcome and attentive service, Buhoma is an eco friendly lodge operating on solar power, constructed using sustainable local materials. Each of the ten wooden chalets offers a private verandah and enchanting forest views.

Awaken to chattering forest birds, and watch out for the occasional mountain gorilla that has ventured right in to visit the lodge.

Overnight at **Buhoma Lodge** with all meals and local drinks included (www.ugandaexclusivecamps.com)

Day Three

It's up early today as one of the most humbling and enthralling wildlife experiences imaginable awaits your discovery. Coming face to face with an endangered mountain gorilla is something words cannot aptly describe. Please note that **gorilla trekking** is strenuous with treks ranging from 45 mins up to eight hours, at high altitudes in hot African conditions. The thrill of the hour you spend quietly observing these gentle giants once you find them is well worth the hike to get there! Although mountain gorillas are wild animals and it should be noted that sightings cannot be guaranteed, viewing success rates are well over 95%.

Head back to Buhoma Lodge for a complimentary massage after your trek, or explore the surrounding Bwindi community.

Overnight at **Buhoma Lodge** with all meals and local drinks included

** Please note that days 3 and 4 are interchangeable depending on when we can secure gorilla permits **

Day Four

Those with additional pre-purchased permits will depart for a second gorilla tracking experience. Guests not tracking have the day free to explore the Bwindi area – optional activities include forest walks, a visit to a local school/orphanage/hospital or Batwa pygmy village, and some local curio shopping.

Overnight at **Buhoma Lodge** with all meals and local drinks included

Day Five

Continue this morning onto southern **Queen Elizabeth National Park** (a 2-3 hour drive), with a brief stop enroute at the Ishasha Community Uplift project.

Immerse yourself in Agatha's 'Taste of Uganda' tour – it's a fun, educational experience for the inquisitive visitor who wonders how a rural Ugandan lady lives. Watch how the local crops are transformed into local staples such as millet porridge and *kalo* bread. It's a fascinating interactive experience.

Located in the western arm of the Great Rift Valley, the park is home to a wide variety of wildlife including elephants, leopard, lions, hippos, buffalo, Uganda kob, baboon, and many species of birds. The southern Ishasha area includes the massive Maramagambo, one of the largest surviving natural forests in Uganda, and is home to the tree climbing lions typically found in the area.

Enjoy afternoon game drives, looking out for the huge herds of buffalo, elephant and Uganda kob.

Overnight at **Ishasha Wilderness Camp** including all meals and local drinks

www.ugandaexclusivecamps.com

This exclusive tented camp offers the only luxury accommodation in the remote southern sector of Queen Elizabeth. With all ten spacious tents set on the banks of the Ntungwe River, the eco-friendly Ishasha Wilderness Camp is an idyllic retreat for people who truly enjoy remote wilderness. The thatched central lounge and dining area offers a comfortable space for guests to enjoy wholesome dining, although meals are often served 'al fresco' next to the river.

The outdoor fireplace is the perfect place for guests to relax with sundowners and wind down after an exciting day's game viewing.

Day Six

Spend the day enjoying game drives in the Ishasha sector of Queen Elizabeth National Park, rounding things off with scenic bush sundowners including drinks and snacks. This is what memories are made of!

Overnight at **Ishasha Wilderness Camp** including all meals and local drinks

Day Seven

Head north toward the 'Mweya' sector of the park to enjoy a leisurely boat cruise along the Kazinga Channel, a 32-kilometre long natural channel linking Lake Edward and Lake George. Kazinga's shores are dotted with herds of lazy buffalo, pods of hippos wallowing without a care, and countless bird species. Drift past local fishing villages, and soak up the peaceful tranquillity of this beautiful African day. (Cruise normally departs at 14h00, although this depends on availability when booking and is subject to change – no drinks/ snacks provided on boat)

Overnight at **Mweya Safari Lodge**, located on a peninsula overlooking the Kazinga Channel on one side and the spectacular Rwenzori Mountains on the other. (www.mweyalodge.com)

Day Eight

Early morning start today, with the highlight being your **Chimpanzee trekking in Kyambura Gorge**.

The forest is alive with noise! Chimpanzees can be quite active and may move quickly through the forest canopy... or, if you are lucky, you may find them resting or eating near the forest floors. It's an exhilarating walk, in beautiful scenery. As with gorilla trekking, sightings cannot be guaranteed.

After this activity, we depart to the nearby Mweya airstrip for your return flight to Entebbe. **Please do not book a flight out of Entebbe before 19h00**
