

# WILD FRONTIERS travel AFRICA

## COVID POLICY

Making your safety a priority

1

### AT OUR CAMPS

All guests will have their temperature taken on arrival. Easy to follow notices at our properties remind guests to wash their hands regularly and utilize the hand sanitizers placed throughout the properties, as well as to wear approved masks.

2

### IN OUR VEHICLES

All vehicles are deep cleaned and sanitized prior to the start of your safari. At the end of each day, all high contact surfaces will be sanitized. No client may occupy the front passenger seat and clients will be encouraged not to rotate seats on trips. All vehicles will be limited to an appropriate number of clients to ensure efficient social distancing is adhered to.

3

### OUR STAFF

All our staff, from drivers to safari guides to camp staff, have been trained on COVID-19 prevention procedures, are regularly tested and will wear approved masks when interacting with guests.

4

### OUR GUESTS

All guests are requested to wear approved masks and wash their hands regularly/sanitize throughout their time with us. Clients will have their temperature taken on arrival, and recorded daily whilst on safari. Any guest displaying Covid symptoms will be isolated until arrangements can be made for them to be transferred to the nearest approved health facility.

5

### FOOD PREPARATION

Food is prepared and served under strict conditions. All dining/ service areas are regularly sanitized and have been rearranged to ensure social distancing.

6

### THE SAME WILD FRONTIERS QUALITY

At Wild Frontiers we don't just "sell" safaris, we live and breathe safaris; it's our passion and we have been sharing our knowledge, experience and love of Africa since 1991. Our aim is to take you to wild, beautiful places to DO, SEE and EXPERIENCE Africa.
